Activities this month

This month we were involved with some more Antenna modifications, this time at Dave's KY4F house swapping out a mast on his tower. And myself doing a little yard work at the Mims Tower Site. We also made another trip to Wesley's N4PDT to add another tower section to his antenna.

I want to thank Jerry KJ4IMP for his very informative presentation on the History of GPS, which started with Russia's Sputnik and evolved into the hand held devices we use to day.

Other Fun Activities

As most of you know I have a mild affliction to pirates, and with Roy And Stephanie N4RKM / K4MVO we had a night at Café Paradiso for Friday night Pirate

night, good fun and live music. We also had lunch at Breakers in New Smyrna Beach. Great burgers.

I bring this up because October is our POT LUCK dinner meeting. Note the time of 6pm Tuesday the 24th, at the Masonic Lodge. Being this close to Halloween I just couldn't resist trying to make this a fun special event. The club will provide the meat and be prepared for an eye catching experience. Bring a GOOLISH dish to pass and come in costume if you like, (not required). This will be an almost entirely social event.

August Minutes

The meeting was called to order at 7pm. The Pledge was said and introductions made. The treasures and Secretary report were read and approved.

Things coming up in October.

The 24th of October is our POT LUCK dinner time 6pm at the Masonic Lodge. We are doing a Halloween theme, meat will be provided and please bring a dish to pass. Come one ,come all. Feel free to dress in costume if you wish.

The dissuasion on Ricky Deluco's proposal had been brought to the club and was continued. After much discussion it was voted on and declined at this time.

Jerry Phelps KJ4IMP gave a presentation on the History of GPS. Very informative, thanks Jerry.

Food and friendship was enjoyed by all.
